## Biography

Charles Howard Colket was born in Philadelphia on July 2, 1859. He graduated from the University of Pennsylvania in 1879. Shortly afterwards he embarked on an extended trip through the Middle East. Beginning in Beirut, Colket traveled 1,336 miles to Bagdad and back again, passing the ancient cities of Telloh, Corinth, Ninevah, Baalbek, Tell Billa, and Rayy. He also traveled to Damascus and Palmyra before returning home. On these journeys Colket began collecting the momentos, artifacts, and curios which make up the Colket Collection. The three limestone funerary reliefs which he brought back from Palmyra were the first steles to be seen in America.

Colket married Almira Little Peterson (1859-1944) in April of 1887. In 1890-1891 the couple traveled around the world. The Colkets also visited parts of Africa, India, China, and Japan, adding to the artifact collection along the way. C.H. Colket died in 1924 at the age of 65.

Tristram Coffin Colket II was the only son of Charles Howard and Almira Colket. Tristram Colket was born May 31, 1896, in Philadelphia. He married Gertrude Crawford (d. 1979) on October 8, 1921. The couple had three sons and a daughter. Tristram Colket also added items to the artifact collection. In 1941 he and his wife bought a ranch (T bar T) south of Sheridan, Wyoming, where they lived for thirty-three years. Tristram C. Colket died September 9, 1986.

The Colket Collection was presented to the University of Wyoming by Mr. and Mrs. T.C. Colket in 1964.
