THE CHARLES WILL WRIGHT COLLECTION

RECEIPT for gift received of Mrs. Charles Will Wright:

COLLECTION consists of numerous reports, magazine articles, books, newspaper clippings, correspondence and other general items of interest pertaining to mining and mineral history.

GENERAL REPORTS:

- "The Need for Specific Information on Foreign Sources of Metals and Minerals," by Charles W. Wright, December, 1935.
- "Guarantees to American Investors will Help Vitalize European Mining Industries and Implement Production of Essential Raw Materials," by Charles W. Wright, 1937.
- "Russia in 1937 - Conclusions," by Charles W. Wright, 1937.
- "Germany - Supplementary Report," by Charles W. Wright, 1938.
- "Germany's New Mineral Position," by Charles W. Wright, 1940.
- "A Brochure to be Submitted to the Board of Economic Warfare for Consideration as a Background in Formulating a Guiding Policy and Blanket Order to Cover the Normal Activities of the Minerals Section," by Charles W. Wright, March 25, 1942.
- "Minutes of Meeting Inter-Divisional Committee," by Margaret Kelly, April 13, 1942.
- "The Common Sense of Hemisphere Unity," by Nelson A. Rockefeller, April 13, 1942.
- "Expansion of Strategic Mineral Investigations in Latin America by U. S. Bureau Mines," by Charles W. Wright, June 25, 1942.

GENERAL REPORTS: Continued

- "Lead and Zinc", by Charles W. Wright, 1942.
- "Notes on Mineral Industries Reporting in Foreign Countries," by Charles W. Wright, 1944.
- "Observations on Some of the Mining Industries and Tendency Towards Industrialization in Latin America," by Charles W. Wright, February 28, 1945. 2 copies.
- "Report on Zellidja Mine, Oujda District, Eastern Morocco," by A. Choubersky, May 16, 1945.
- "Orpita Mines Limited (Piccadilly Porcupine) - Report on Geology and Drill-Hole Exploration," by E. K. Fockler, May 23, 1945.
- "Non-Ferrous Metal Industries in Germany," CONFIDENTIAL, by Charles W. Wright, July 13, 1945.
- "Las Inversiones En Las Industrias Mineras Extranjeras Requieren El Amparo Del Gobierno," by Charles W. Wright, 1945.
- "Report on the Second Pan-American Congress of Mining Engineering and Geology," October 1 to 15, 1946.
- "Greater Mineral Security and Trade Within the Americas," by Charles W. Wright, 1946. 2 copies.
- "A Long-Range Practical Plan for the Relief, Rehabilitation and Industrialization of the World by the American People," by William E. Knox, November 15, 1947.
- "Suggested World Bank Plan to Protect Private Enterprise in Financing Industrial Production of Strategic Raw Materials for World Needs," by Charles W. Wright, 1947. 2 copies.
- "Summary on Taxation, Exchange Controls and Labor Regulations," by Charles W. Wright, 1947.
- "Union Syndicale Des Mines Metalliques Metropolitaines," March 18, 1948.
- "How the Mining Industry in Peru is Effected by the Fixed Dollar Exchange Rate on Exports," by Charles W. Wright, May 10, 1948.
- "Zinc Industry - World Situation," by Charles W. Wright, 1948.
- "Comparing the Present Peruvian and Mexican Mining Codes, Taxes and Exchange Controls," by Charles W. Wright, 1948.
- "Implementing Point IV Plan in the Mining Industries," by Charles W. Wright, May 31, 1949.
- "Comments on the Mining Industries in Italy," by Leone Testa and Charles W. Wright, 1948.

GENERAL REPORTS: Continued

- "Safeguarding American Investments in Industrial Enterprises Abroad," by Charles W. Wright, 1949. 2 copies.
- "A Plan for Financing Industrial Development and Production of Strategic Raw Minerals in Latin-America," by Charles W. Wright, 1949.
- "Appendix," by Charles W. Wright, 1949.
- "Solving Investment Problems in Mexico's Sources of Metal Supply," by Charles W. Wright, 1952.
- "Government Sources," by Charles W. Wright, 1952.
- "The Opening Wedge for Private Mining Enterprises Abroad," by Charles W. Wright, 1952.
- "The Advantage of Producing Electrolytic Zinc in Peru Instead of Exporting the Zinc Concentrate," by Charles W. Wright, 1952.
- "The United States Government and its Relation to Post-War Operations of the Mineral Industries in Foreign Countries," by Charles W. Wright, 1952.
- "Notes on Loans or Credits to South American Republics by the Export-Import Bank," by Charles W. Wright, 1952.
- "Notes on Mineral Industries Reporting in Foreign Countries," by Charles W. Wright, 1952.
- "Report on Public Relations Audit of United States Technical Cooperation Program in Latin America," by Raymond W. Miller, February 29, 1952.
- "What Chance has Foreign Capital in Peru," by Charles W. Wright, 1953. 2 copies.
- "The Peruvian Government through its Banco Minero is organized to ...", by Charles W. Wright, 1953.
- "How the Mining Industry in Peru is Effected by the Fixed Dollar Exchange Rate on Exports," by Charles W. Wright, 1953.
- "The Electrolytic Zinc and Fertilizer Project at Chimboze with notes on the Zinc Mines, Ore Reserves Production Costs, Smelter Charges and Profits," 1953.
- "The Need for Specific Information on Foreign Sources of Metals and Minerals," 1953.
- "Contributing Government Agencies," by Charles W. Wright, 1953.
- "Project to Expand the Foreign Service of the Bureau of Mines and to Make the Bureau of Mines the Source of Reliable Information on the World's Mineral Resources," by Charles W. Wright, 1953.

GENERAL REPORTS: Continued

- "Problems and Procedure in Acquiring Mining Properties Abroad," by Charles W. Wright, 1954.
- "Why Foreign Mineral Resources are Winning the Battle for United States Private Risk Capital," by A. H. Lindley, Jr., February 16, 1955.
- "The Ferrous Metals and Ores," by Charles W. Wright, 1955.
- "Capital in Peru," by Charles W. Wright, July, 1956.
- "Gold Program Statement," by James E. Bell and J. P. Ryan, 1955.
- "Projection of Base Metals Production and Consumption Trends Within the Americas - 1930 to 1955," by Charles W. Wright, 1956. 2 copies.
- "What Should be Done to Preserve Our Steel Industry -- The Importance of Ferroalloys and Foreign Competition," CONFIDENTIAL, by Charles W. Wright, November 25, 1957. 2 copies.
- "Exploraciones Peruanas, S. A. - Mining Prospects, Peru," by Evan Bennett, March 20, 1958.
- "Remedying the Present Grave Situation - Proposals for Competing for our Metal Requirements from Abroad," by Dr. Charles W. Wright, April 8, 1958. 2 copies.
- "The Mineral Potential of the Free World, the Sino-Soviet Bloc and the United States," by Charles W. Wright, October 22, 1958. 2 copies.
- "U. S. Self-Sufficiency and Competition for the Metals Vital to its Growing Industries," by Charles W. Wright, November 3, 1958. 2 copies.
- "The Need for the U.S.A. and all Free World Nations to Consolidate their Position in Metal Requirements for the Future," by Charles W. Wright, November 30, 1958. 2 copies.
- "Metals as the Basis for National Industrial and Military Supremacy," by Charles W. Wright, February 10, 1959. 2 copies.
- "Private Investment in Latin America's Mineral Resources Vital to U.S. Industrial Progress," by Charles W. Wright, May 10, 1959. 2 copies.
- "How Serious is the Growing Industrial Power in Russia and China to the Free World Nations?" by Charles W. Wright, May 22, 1959.
- "How the U.S. and Free World Nations can Maintain Industrial Superiority Over the Growing Industrial Power of the Soviet Union and China," by Charles W. Wright, June 10, 1960.
- "Private Investment in Latin America's Mineral Resources Vital to U.S. Industrial Progress," by Charles W. Wright, June 20, 1959.
